Given the government shutdown and the fact that the undersigned Assistant United States Attorney is currently on furlough status, the government did not immediately learn that this Court is ordering a weekly status report regarding Petitioner's immigration status and the scope of his pending proceedings before the EOIR. The government provides the following update:

Petitioner had a contested removal hearing on October 30, 2025. The immigration judge sustained the charge of removability. The case is now set for another master calendar hearing on November 13, 2025.

Respectfully submitted,

DAVID M. TOEPFER
United States Attorney
