UNITED STATES DISTRICT COURT

DISTRICT OF OREGON

R[redacted] R[redacted] R[redacted],	**Case No. 3:26-cv-01410-AA**
Petitioner,	
v.	**DECLARATION OF [redacted]**
JULIO HERNANDEZ, et al,	
Respondents.	

I, [redacted], pursuant to 28 U.S.C. § 1746, hereby declare as follows:

1. I am an Acting Supervisory Detention & Deportation Officer ("SDDO") employed by the U.S. Department of Homeland Security ("DHS"), U.S. Immigration and Customs Enforcement ("ICE"), Enforcement and Removal Operations ("ERO"). I am currently assigned to the ERO Portland Field Office in Portland, Oregon.

2. In my official capacity, I manage the detention and removal of noncitizens, including executing removal orders, coordinating with foreign governments, and maintaining case records in official DHS systems. I make this declaration based on my review of those systems and records, and on my familiarity with the case of R[redacted] R[redacted] R[redacted] ("Petitioner").

3. Petitioner is a native and citizen of Mexico who, on or about November 21, 2014, applied for admission into the United States at the San Ysidro, California port of entry. Petitioner was determined to lack valid documents entitling him to enter the United States and was detained.

4. On December 11, 2014, after a credible fear determination, Petitioner was issued a Notice to Appear ("NTA"), charging removability under INA § 212(a)(7)(A)(i)(I) for removal proceedings in Immigration Court.

5. On February 2, 2015, Petitioner was released on bond.

6. On May 1, 2019, Petitioner was ordered removed to Mexico by an Immigration Judge ("IJ") in Portland, Oregon.

7. On May 16, 2019, Petitioner appealed the IJ removal order to the Board of Immigration Appeals ("BIA").

8. On April 26, 2022, the BIA dismissed Petitioner's appeal, making the IJ's removal order administratively final.

9. On September 30, 2024, ICE canceled Petitioner's bond and placed him on an Order of Supervision ("OSUP").

10. On February 25, 2026, Petitioner filed a motion to reopen immigration proceedings with the BIA. DHS has filed an opposition to this motion and the motion is pending.

11. On July 16, 2026, Petitioner filed a motion for a stay of removal with the BIA. DHS has filed an opposition to this motion and the BIA has not issued a stay of removal.

12. ICE has the means and ability to remove Petitioner to Mexico.

13. If ICE revokes OSUP, it will follow the statute and regulations, including, but not limited to, informing Petitioner of the reasons for the revocation and conducting an informal interview to afford Petitioner an opportunity to respond to the reasons for revocation.

14. The documents attached to this affidavit are true and accurate copies of documents retrieved from Petitioner's A-file.

I declare under penalty of perjury that the foregoing is true and correct.

Executed at Portland, Oregon, dated August 6, 2026.
