Writ Of Prolonged Habeas Corpus

I Jesus Christ Is the petitioner of this writ of Prolonged Habeas Corpus and testify that its contents are true.

The applicant is Mohammed Yahya Abdullah A: 
currently located at T.Don Hutto Detention Center 1001 Welch Street, Taylor Texas 76574 in Immigration proceeding. Their charges are;

Illegally crossing the U.S. / Mexico Border

I am requesting that the applicant be released from custody/detention and to immediately no longer be restraint in their liberties while they await judgment or deportation.

If the writ of Hebeas Corpus is not accepted as is, they are willing to accept release from custody/detention on a bond amount of \$ 1500.

The moral/ethical/legal preponderance of why the applicant should NOT be kept in custody/detention or restraint in their liberties are listed below;

1. 34 months in Immigration Proceedings without a decision.
2. No presumption of guilt arises from accusation from a competent authority.
3. Jesus Christ died for our sins so that we may NOT be perpetually & cruelly punished.
4. Pro Bono attorneys do not respond, hence no actual representation available
5. Paid attorneys charge unreasonable fees and provide no relief from custody/detention in a reasonable time < 30days
6. Legal Material at T. Don Hutto is predominantly English, cumbersome to find, and loaded with technical Jargon that is beyond the scope of what is expected of any lay person to understand even less execute a probable legal defense, access to library is limited.
7. Lack of knowledge, access or understanding of substitution of remedies that would grant an individual release from custody in a reasonable ambunt of time < 30days
8. Mental torture and psychological degradation of the mind due to long periods of confinement (institutionalization).
9. Facility Negligence (Appendix 1)
10. Personal Grievances (Appendix 2)
