Petition for with of habes corpus 28 u.s.c. §636(b)NATHAN OCHSNER
CLERK OF COURT

Hello, Dear Magistrate Judge. I 'am Kakhidze David, A No [REDACTED] a citizen of the Republic of Georgia, contacting you regarding my deportation case. The Final order for my deportation was issued on 02/20/2025 by Judge Frank Pimental. I have been in the El Valle detention center for 6 month awaiting my deportation. The I.C.E. officers have changed the date of my deportation several time, I have repeatedly asked for self-deportation at my own expense. Dear Magistrate Judge, referring to the Fifth Amendment's Due Process clause provides that "no person shall be... deprived of life, liberty, or property, without due process of Law" and a statute permitting infinite detention of an alien would raise a serious constitutional problem, (Zaduydas v. Davis, 2001) I believe that my prolonged reasonable time limits for deportation, illegally and violates my right to freedom, considering that at the sometime I have no criminal past.

Thank you for your attention
