

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

Z.N. et al., <i>Petitioners,</i> v. SAM OLSEN, et al., <i>Respondents.</i>	No. 1:25-cv-7284
---	-------------------------

**UNOPPOSED VOLUNTARY WITHDRAWAL OF PETITIONERS'
MOTION FOR A TEMPORARY RESTRAINING ORDER**

On June 30, 2025, Petitioners moved for a stay of removal and temporary restraining order, asking this Court to order Respondents to 1) refrain from moving them from the Northern District of Illinois, and 2) to refrain from removing them from the United States. *See* Dkt. No. 14. At a hearing on the matter on July 1, 2025, this Court ordered Respondents to file their response to the stay and TRO motion today, July 7, 2025, and gave Petitioners until Friday, July 11, 2025 to reply.

On the evening of July 3, 2025, Petitioners were released from Respondents' custody and placed on GPS monitoring. The parties are now negotiating the next steps for Petitioners.

In light of this development, Petitioners voluntarily withdraw their currently pending motion for a stay of removal and TRO; they ask that the court vacate the current briefing schedule and hearing date. Plaintiffs do, however, seek to do so without prejudice to potential refiling should it again become necessary.

In addition, Petitioners ask that the Court continue the case to allow the parties to seek out an alternative resolution and to allow Petitioners to amend their complaint to account for these new developments, should doing so become necessary.

Dated: July 7, 2025

Respectfully submitted,
