Dear Honorable Judge DuBose:

My name is Lawrence Almagno (Sr.)

This letter is in support of Geudy Colon Reyes. Geudy is an honest, hardworking young father who I have had the pleasure of knowing for approximately five years. He is a family oriented young man. I have had the pleasure of knowing Geudy, and his son consider them a beautiful happy family that I am proud to call friends.

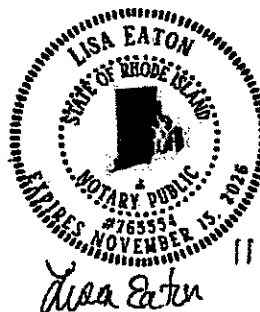

I am writing this letter, as a U.S. Citizen, to express my strong support for Geudy Colon Reyes in his Petition to the Federal Court for Immediate Release regarding his immigration case with the U.S. Immigration and Customs Enforcement (ICE). It is my sincere belief that Geudy is an exemplary individual whose presence in the United States contributes positively to our community and represents the values of hard work, integrity, and compassion. He has no criminal history and poses no danger to anyone in the community; in fact, this young man is an asset to our country. If given the opportunity, I know he will succeed and truly become an example of the American Dream, as he already has and this is the only country he knows.

I respectfully urge you to consider this letter as a statement of the significant positive impact Geudy has on his community and to grant him the opportunity to continue building a life here in America with his family.

Geudy's continuing absence has caused enormous stress and burden to his entire family, especially on his co-parent Ana Faria and young son who I have had the pleasure of visiting with at my home, he has severe non-verbal autism and relies upon his father everyday. I would really like to see this beautiful family reunited as quickly as the law will allow. I reiterate, Geudy is not a threat to the community and has no criminal history whatsoever. Thank you for your consideration to this very important matter.

Sincerely,

Lawrence P. Almagno
