## PETITIONER'S PROPOSED EXHIBIT LIST

Petitioner, Reza Zavvar submits the following exhibits in advance of the evidentiary hearing in the above-referenced matter:

- Article dated August 6, 2025, "Why is the Trump administration threatening to deport
  this Iranian man to Australia?" by Brad Ryan of the Australian Broadcasting Corporation,
  stating the Australian government claims that it has "not been contacted by U.S.
  authorities about the case."
- 2. Article dated August 7, 2025"Albanese government has no knowledge of Trump administration threat to deport Iranian man to Australia" by Tom McIlroy of The Guardian in which the Australian government "said it has not been approached by the United States in relation to it."
- Article dated August 7, 2025 "Man who lived in the US for forty years faces deportation
  to Australia despite having no ties to the country," by Conor Breslin of Sky News

Australia stating "The Australian government has expressed concern and confusion over the decision, saying it had not been consulted."
