

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

K.E.G.M., et al.,

Plaintiffs,

v.

DOE, et al.,

Defendants.

Civil Action No. 25-2215

STATUS REPORT

Defendants respectfully submit this status report. Based on information provided to the undersigned by Immigration and Customs Enforcement (“ICE”), Defendants report as follows.

Plaintiff-noncitizens in this action were removed from the United States to Honduras at approximately 2:30 p.m. EDT on Saturday, July 12, 2025. Their parole into the United States had expired on April 18, 2025, and they were issued final orders of expedited removal on May 29, 2025. Prior to their removal, neither Plaintiff was transported to the District of Columbia. Instead, Plaintiffs were in the custody of ICE’s Juvenile and Family Management Division in Phoenix, Arizona and Harlingen, Texas. That Division, at times, uses certain support resources located in the District of Columbia or at the Washington Field Office (which is located in Virginia), but again neither Plaintiff was physically in the District of Columbia while in ICE custody.

Undersigned counsel provided these updates to Plaintiffs’ counsel over the weekend. The government believes that the Court lacks jurisdiction over this matter for several reasons, including (1) the Court never had habeas jurisdiction over this matter as Plaintiffs were never in government custody in this district; (2) the Court lacks jurisdiction to consider this suit, which

challenges the actions of the government “to commence proceedings, adjudicate cases, or execute removal orders[,]” under 8 U.S.C. § 1252(g) among other sources of law; and (3) this case is moot as Plaintiffs are no longer in the custody of the government.

Dated: July 14, 2025

Respectfully submitted,
