Case No. 2:25-cv-1359-RFB-EJY

Federal Respondents' Response to Court's Order dated September 17, 2025, ECF No. 20

Federal Respondents respectfully submit this response to the Court's Order dated September 17, 2025 (ECF No. 20), wherein the Court requested information concerning: 1) whether Petitioner is currently scheduled for removal to Mexico and, if so, the exact date and time of his scheduled removal; and 2) whether Petitioner is currently scheduled for a hearing where he can challenge his removal to Mexico and, if so, the exact date and time of his hearing. Federal Respondents were directed to file this report by noon on September 19, 2025.<sup>1</sup>

Federal Respondents provide the following report in response to the Court's two (2) requests:

<sup>&</sup>lt;sup>1</sup> Undersigned counsel apologies for the tardiness of her response. She was assisting another AUSA who had a similar noon-time deadline and encountered technical difficulties.

- 1) Because of the proceedings described in part 2, below, Petitioner is not currently scheduled for removal to Mexico, as such, there is no exact date or time for the Petitioner's removal to Mexico.
- 2) Because the Petitioner expressed a fear of removal to Mexico, the matter has been referred to U.S. Citizenship and Immigration Services (USCIS) for a screening for eligibility for protection under section 241(b)(3) of the INA and the Convention against Torture (CAT). USCIS has elevated the matter to a supervisor and is currently coordinating the case for a review. The exact date and time for the review can be provided once received.

Respectfully submitted this 19th day of September, 2025.
