Attorneys for the Federal Respondents

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

Hugo Gil Candido-Bolanos,

Petitioner,

v.

John Mattos, Todd M. Lyons, and Kristi
Noem,

Respondents.

Case No. 2:25-cv-1359-RFB-EJY

**Federal Respondents' Supplemental
Response to Court's Order dated
September 17, 2025, ECF No. 20**

Federal Respondents respectfully submit this supplemental response to the Court's Order dated September 17, 2025 (ECF No. 20), to provide the Court with additional, newly received information.

1. As noted in Federal Respondents' prior filing (ECF No. 22), because Petitioner expressed a fear of removal to Mexico, the matter was referred to U.S. Citizenship and Immigration Services (USCIS) for a screening to determine eligibility for protection under section 241(b)(3) of the INA and the Convention Against Torture (CAT) if removed to Mexico. USCIS advised that the matter had been elevated to a supervisory level for review and coordination. Our office learned of the final determination subsequent to Federal Respondent's initial response today (ECF No. 22).

1 2. USCIS has advised our office that the initial screening interview took place
2 on September 12, 2025, with Petitioner and Petitioner's counsel participating by telephone.
3 The preliminary results were elevated for supervisory review, which was completed today.
4 See Declaration of Tyler C. Adams attached hereto as Exhibit "A." USCIS has now
5 provided notification to counsel of the final determination.

6 3. The outcome of the screening is that Petitioner did not establish that it is
7 more likely than not that he will be persecuted or tortured in Mexico. A copy of the Third
8 Country Screening Notice was provided to Petitioner's counsel via email shortly after the
9 Notice was received. See ECF No. 23-2 at 4.

10 4. DHS will effectuate Petitioner's removal to Mexico on or after September 27,
11 2025, absent any protective filings made by Petitioner or Petitioner's counsel.

12 Respectfully submitted this 19th day of September, 2025.
