United States Federal Court,

I am Cuong Vu Son

I have been in immigration detention for around 6 month and no serious action has been taken regarding my removal process.

I would like to have a final decision made regarding my detention status. Based on the evidence from my country of birth and the United States, there is no cooperation in the removal process and it appears that the government cannot complete my removal process. Please open a case regarding my immigration detention status and send me the relevant form for any future action.

Sincerely
[Signature]

Cuong Vu Son
