RE: Witness letter in support of Irina Tsogoeva, A 

To Whom It May Concern:

My name is Susan Baker and I'm writing this letter to support Irina Tsogoeva. I became friends with Irina after visiting her in Feb 2025. She is a decent, kind individual trying to deal with this unwarranted detention. This lengthy detention has played havoc on her emotionally and mentally.

As one of Jehovah's Witnesses Irina left Russia with her husband to seek religious freedom here in the United States. That peaceful religious group is banned in Russia and are imprisoned when found practicing their faith. Irina would be no threat to the American people but would rather be an asset to her community. Currently, her husband has a home and a job which will enable her transition from detention easier. Being away from her husband has been extremely stressful for her.

Please attach this letter to her Habeas Corpus petition. She has been detained long enough.

Sincerely,

  
Susan Baker
