

UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF WASHINGTON

DAIXON JOSE RAMIREZ TESARA,

Petitioner,

v.

CAMILLA WAMSLEY, et. al.

Respondents

CASE NO. 2:25-cv-01723-MJP-TLF

DECLARATION OF
DANIEL STRZELCZYK

I, Daniel Strzelczyk, pursuant to 28 U.S.C. § 1746, hereby declare as follows:

1. I am a Deportation Officer ("DO") employed by the United States Department of Homeland Security ("DHS"), United States Immigration and Customs Enforcement ("ICE"), Office of Enforcement and Removal Operations ("ERO"). I am currently assigned to the ERO office at the Northwest ICE Processing Center, located in Tacoma, Washington, under the ERO Seattle Field Office.

2. As a Deportation Officer, my duties include review and processing of cases for aliens detained in ICE custody through the entirety of their immigration cases.

3. I am familiar with the case of Daixon Jose Ramirez Tesara, ("Petitioner"). I make this declaration based upon my personal and professional knowledge, obtained from various records and

1 systems maintained by ICE in the regular course of business. I provide this declaration based on the
2 best of my knowledge, information, belief, and reasonable inquiry in the above-captioned case.

3 4. Petitioner is a native and citizen of Venezuela who was encountered by United States
4 Customs and Border Protection ("CBP") shortly after entering the United States without inspection
5 or parole on or about January 11, 2024. Petitioner was processed as an expedited removal under
6 INA § 235(b) and transferred to ICE custody, where he was detained at the El Paso Service
7 Processing Center.

8 5. Following a credible fear interview, Petitioner was issued a Notice to Appear by United
9 States Citizenship and Immigration Services ("USCIS") on February 2, 2024, placing him in
10 removal proceedings. See Exhibit A.

11 6. On February 7, 2024, ICE released Petitioner on interim parole with Alternatives to
12 Detention ("ATD") enrollment to mitigate flight risk. See Exhibit B. The interim parole was valid
13 for one year and automatically terminated at the end of that period unless renewed by ICE. ICE did
14 not renew or extend Petitioner's interim parole.

15 7. On August 18, 2025, Petitioner reported to the local ICE office in Portland, Oregon. Upon
16 review of his records at that time, it was discovered that Petitioner had approximately 40 ATD
17 violations between February 2024 and July 2025 in the form of missed biometrics check-ins, "no
18 location received" warnings, and a missed virtual office visit. Violations of these types of ATD
19 conditions are considered indicators that an alien is a flight risk.

20 8. Petitioner was therefore taken back into ICE custody and transferred to the Northwest ICE
21 Processing Center in Tacoma, Washington, where he is presently detained.

9. Because Petitioner's parole has expired, he is currently subject to mandatory detention under INA § 235(b).

10. Petitioner's removal proceedings are pending before an immigration Judge on the detained docket in Tacoma and he is scheduled for a master calendar hearing before an immigration judge on September 16, 2025.

I declare under penalty of perjury that the foregoing declaration is true and correct to the best of my knowledge and belief.
