

1 As matters currently stand, Respondents would file a return no later than October
2 19, after which Mr. Hambarsonpour would be entitled to file a traverse. Judge Vaughan
3 would issue a Report and Recommendation, after which there would be an opportunity
4 for objection and response. In the meantime, Respondents would have to file a response
5 to Mr. Hambarsonpour's preliminary injunction motion no later than October 8, 2025,
6 with his reply due by October 15, 2025. That, too, would generate an R&R with a round
7 of objections and responses.

8 **II. Stipulated motion**

9 To avoid multiple rounds of briefing on each of the petition and the motion, the
10 parties stipulate to the following:

11 Federal Respondents will file a response to the habeas petition no later than
12 October 10, 2025. Any arguments that the petition should be dismissed shall be made in
13 the response and not by separate motion.

14 Petitioner will file a reply no later than October 17, 2025.

15 The Court will note the habeas petition for October 17, 2025.

16 The parties further request that the Court terminate the referral to Magistrate
17 Judge Vaughan, in order to expedite a final ruling by the Court.

18 Petitioner's motion for a preliminary injunction will be denied as mooted by the
19 stipulated briefing schedule.

20 The Order directing Federal respondents to file a response to the petition within
21 30 days (dkt. 6) will be stricken.

22 DATED this 6th day of October 2025.
