Emergency Request to expedite Habeas Corpus Proceedings 88 (FC)

Judge Esther Salas

Emma Contreras kindly request expediting Habeas Corpus proceeding my husband, Edwin Bernardo Nauta Ordonez who is detained in ICE today and facing imminent removal. I request he is brought back to New York as I am currently 7 months pregnant and going through emotional distress/falling into a depressive state that is putting my pregnancy at risk. We currently have 3 kids at home that also depend on Edwin not only for emotional stability but financially as well.

If the court delays, removal will make the case irrelevant and deny him due process. Please consider expediting habeas petition and issuing a temporary stay of removal before removal occurs.

Thank you kindly for your time.

Warm Regards,

Emma M. Contreras
