**UPDATED STATUS REPORT**

The United States files the attached status report to update the court on the whereabouts of the adult male petitioner, Mr. Jaime Misael Ramirez-Ambrosio. The underlying petition in this case was filed during the late afternoon of September 29, 2025. Both the petitioner's counsel and the undersigned were under the impression that Ramirez-Ambrosio was being detained at United States Immigration and Customs Enforcement's ("ICE") processing facility in Broadview, Illinois. And at the hearing before Judge Harjani at 7:30 p.m. on the night of September 29th, that is what the undersigned represented to the court.

As the attached declaration points out, however, that representation was incorrect. Attached is a declaration from Jorge L. Morales, a Deportation Officer assigned to the Office of Enforcement and Removal Operations (ERO) within ICE. Exhibit A.

According to Officer Morales, Ramirez-Ambrosio was processed at the Broadview facility at approximately 7:30 p.m. on September 28, 2025 (Sunday night). Exhibit A, ¶8. On September 29, 2025, Ramirez-Ambrosio was transported in ERO custody to Gary-Chicago International

Airport and then was flown to the Indianapolis, Indiana International Airport, eventually arriving in Harlingen, Texas at 3:45 on Monday afternoon. *Id.* ¶9. After arriving in Harlingen, Ramirez-Ambrosio was then transported to the Port Isabel Processing Center in Los Fresnos, Texas where he was eventually booked into ERO custody at 10:35 p.m. The undersigned Assistant United States Attorney believes that Ramirez-Ambrosio is still in custody at Port Isabel, and according to ICE, is the subject of a final order of removal. The undersigned apologizes for the mistake.

Respectfully submitted,

ANDREW S. BOUTROS  
United States Attorney
