**Re: *Cana Atz v. Noem, et al.*, Case No. 2:25-cv-16240-MCA  
Withdrawal of Petition for Habeas Corpus**

Dear Hon. Judge :

This Office represents the Petitioner, Mr. Tomas Cana Atz, in the above-mentioned habeas matter. We respectfully write to inform the Court that the Petitioner seeks withdrawal of his petition. His petition has been rendered moot by events in his immigration removal proceedings. On November 7, 2025, the immigration judge dismissed his applications for relief and accepted Mr. Cana Atz's request of voluntary departure instead of an order of removal. Consequently, the Petitioner respectfully seeks withdrawal of his petition.

Thank you for your consideration of this matter.

Respectfully submitted,

---
