Re: *Pacheco De Oliveira v. Pamela Bondi, et al.*, No. 25-16604
Update Regarding Removal and Dismissal On Consent

Dear Judge Salas:

This Office represents Respondents in this habeas matter filed by a noncitizen challenging the legality of his detention by U.S. Immigration and Customs Enforcement (“ICE”). We write to respectfully inform the Court that ICE has removed Petitioner from the country. Accordingly, this habeas action is moot. *Vasquez v. Aviles*, 639 F. App’x 898, 902 (3d Cir. 2016) (“[The] petition was moot insofar as it challenged the legality and length of his detention, for upon his removal his petition no longer presented a justiciable case or controversy”). We respectfully request the Court dismiss the action without prejudice. Petitioner’s counsel, Alexandra Minogue, Esq., consents to this request. We thank the Court for its attention to this matter.

Respectfully submitted,

TODD BLANCHE
U.S. Deputy Attorney General
