**[PROPOSED] ORDER DENYING  
MOTION FOR TEMPORARY RESTRAINING ORDER**

Today, this Court considered Petitioner's Motion seeking a Temporary Restraining Order. Having considered the Petitioner's Motion and exhibits, as well as the Respondents exhibits and response in opposition, this Court finds that Petitioner has not met the criteria needed to satisfy the requirements established under Rule 65 of the Federal Rules of Civil Procedure in that she has not demonstrated a substantial likelihood of success on the merits nor has she established an irreparable harm.

THEREFORE, IT IS ORDERED, that Petitioner's Motion for a Temporary Restraining Order be DENIED.
