Re: Polat v. Pamela Bondi, et al., No. 25-16893  
Information Regarding the Treatment of Petitioner

Dear Judge Semper:

We write to inform you that after Petitioner was transferred to Pine Prairie, Louisiana, on October 31, 2025, he has not yet been scheduled for an immigration court hearing. Further, on the morning of November 14, 2025, Petitioner was informed by guards at the Pine Prairie Facility that he would be deported with five other detainees. Petitioner was able to call his wife, who then contacted undersigned counsel. Undersigned counsel contacted AUSA Alex Silagi, who contacted ICE counsel to inquire.

Later in the day, we were informed that Petitioner had been removed from the Pine Prairie Facility via an email from the facility stating that he was no longer there. After contacting AUSA Silagi, we were informed that he had been transported to Arizona.

Late last night, Petitioner was able to call his wife and inform her that he was in Arizona, but he did not know the name of the facility where he was being detained. Currently, the ICE Online Locator lists him as in ICE custody but provides no details on his location.

We thank the Court for its attention to this matter.

Respectfully submitted  
/s/Matthew J. Archambeault
