Re: *Nelson Isaias Rivas Alonso v. Sam Olson, et al.* (Case No. 25-cv-1660)  
— Notice of Defendants' Non-Response

Dear Judge Adelman,

I write to alert the Court that the deadline for the respondents to show cause has expired and that respondents have not yet entered appearances or made any submission. In its October 29 Order to Show Cause, the Court set a show cause deadline of ten days after service of the same order. [ECF No. 6]. The Clerk of Court served the order on the respondents on October 31 [ECF No. 7]. The deadline therefore expired on November 10.

This matter is time sensitive and my client's mental health is declining in detention. I understand that default judgment is generally unavailable in habeas cases. *E.g. Bleitner v. Welborn*, 15 F.3d 652, 653 (7th Cir. 1994). I therefore request that the Court proceed with a merits determination on the basis of the papers already filed.

Thank you for your attention to this matter.

Very truly yours,

Attorney Elisabeth Lambert (she/her)
