**Re: *Sutuj v. Noem, et al.*, Civ. No. 25-17169 (ESK)
Outcome of Bond Hearing**

Dear Judge Kiel:

This Office represents Respondents in the above-referenced habeas action. On December 1, 2025, the Court granted Petitioner's habeas petition and ordered that Respondents file a letter within 7 days indicating whether the bond hearing had taken place. See ECF 11. On December 5, 2025, an immigration judge held a bond hearing and granted Petitioner release under bond. See Exhibit A (Order of the Immigration Judge). Accordingly, Respondents respectfully request the Court close this matter.

Respectfully submitted,
