Re: Pablo Martinez Ron v. Todd Lyons, Et. Al.  
Docket No. 25-17359

Dear Judge Farbiarz,

After additional contemplation of the issue, I believe the following items of discovery would also be relevant to the inability of the immigration court to provide Due Process compliant hearings:

7. The list of fired immigration judges and the reasons they were fired
8. Approval/denial rates for all the fired immigration judges
9. Training materials, job descriptions, all directives, guidelines, conditions of employment, internal communications such as emails and memos, particularly any relating to quotas, performance objectives, requirements for case processing/decisions, and any other material relating to bond decisions provided to the newly hired judges

Respectfully submitted,

/s/ Eric M. Mark
