Petitioner: Eliezer Salazar

To the Clerk of the Court / Honorable Court,

I am the petitioner in the above-referenced matter. I understand that counsel is currently listed as attorney of record in my case. I am not submitting this letter to request any ruling, relief, or legal advice.

I respectfully write only to inquire about the current status of my habeas corpus petition and whether the Court has an estimated timeframe for issuance of a final order from the District Judge, following the filing of objections.

If there is any action required from me at this time, or if the Court requires any additional information, I respectfully request to be advised.

Thank you for your time and consideration.

Respectfully submitted,
