LA RESISTENCIA

To whom it may concern,

My name is Rufina Reyes and I am the Executive Director of La Resistencia, a grassroots community group in Tacoma Washington. Our group works for human rights and immigrant justice for those detained for immigration civil matters in our state.

This letter is to show our full support in all immigration matters for Jelber Botello Hernández. Mr Botello Hernández has become an important member of our efforts for the respect of human rights at the detention center in Tacoma, WA.

Mr. Botello Hernández has been in touch with our group since July of 2025 while in detention at the Northwest ICE Processing Center in Tacoma. Mr. Botello Hernández's work to denounce inhumane detention conditions by communicating with us and asking for our support is evidence of his incredible leadership and selfless character.

Mr. Botello Hernández has shown immense care for others in detention, continuously asking us to support others in detention without asking for himself, even with his existing medical concerns. Mr. Botello Hernández's leadership in detention proves immensely important to many others, either because we were able to connect them with legal representation, support them financially, and to expose the inhumane detention conditions they faced.

We join the many others who fully support Mr. Botello Hernández and urge you to consider the important contributions that he has made to our community and families in Washington state.

If you have any questions, please feel free to contact me at  at any time.

Sincerely,
Rufina Reyes
Executive Director, La Resistencia
