PETITION FOR A TEMPORARY RESTRAINING ORDER (TRO)

I, Bahrinaw Boluwatife Satau, Alien number A [REDACTED] hereby petition to this court to grant a temporary restraining order as an injunction to my writ habeas corpus petition which will refrain ICE agents/agency from transporting or moving me away from Clinton County Correctional Facility while my motion for writ habeas corpus from that illegal detention is in process. It will be in the best interest of justice to order this injunctive relief in form of a temporary restraining order on the agency in order to avoid obstruction of justice, or in the alternative witness tampering or the stripping off of jurisdiction from this court in regards to the subject matter in the writ habeas corpus petition. It is hereby respectfully requested by me from the court to grant a temporary restraining order on ICE agency/agents and DHS to stop ICE from transferring me and my case to a different jail or jurisdiction till a final order has been made by this court after proper litigation of the petitions ~~in~~ ~~state~~ submitted to the court in all matters relating to my release/writ habeas corpus.

This is submitted alongside motion for writ habeas corpus, and a motion to expedite hearings and other documents that will assist the court in considerations.
