

United States District Court
Western District of Texas
San Antonio Division

Hany Kamal Abdelalim-Elmetaher,
Petitioner,

v.

Rose Thompson, *et al.*,
Respondents.

No. 5:25-CV-01608-XR

RESPONDENTS' ADVISORY TO THE COURT

Respondents file this advisory to the court pursuant to the Court's Order (ECF No. 15) to supplement Respondent's previous advisory to the court. *See* ECF No. 14. As of December 23, 2025 ICE has terminated Petitioner's GPS monitoring. The condition to notify Respondents if Petitioner changes his address has been in place since Petitioner was placed in Proceedings. *See* Ex. A (Notice to Appear, dated August 24, 2022) at 2; *see also* 8 U.S.C §1360. ICE has removed the ankle monitor and terminated GPS monitoring and is not aware of any impediments to future compliance with the Court's Order (ECF No. 9). The Court's Order to Show Cause dated and signed December 19, 2025, was entered and transmitted via ECF on December 23, 2025 at approximately 8:38 am this morning.

Undersigned has been trying to comply with the Court's order (ECF No. 15) to detail any reasons or explanation of purported non-compliance with the Court's order (ECF No. 9); however, given the delayed transmission by the ECF system, Respondent's counsel was unable to obtain the necessary details by the Court's deadline. Respondent's counsel is actively working with the Respondent's to obtain the necessary details. Given the upcoming holidays, it may be more

difficult to obtain all the details and provide a thorough answer for the Court. Respondent's therefore request an extension to answer the Court's remaining questions by January 9th,
