On December 13, 2025, Petitioner Rolando Pepe Garcia Guzman (“Mr. Garcia”) filed a petition for a writ of habeas corpus on the basis that his immigration detention violates the Immigration and Nationality Act as well as his substantive and procedural due process rights. *See* ECF No. 1. He now seeks the issuance of an Order to Show Cause directing Respondents to forthwith respond to the petition for a writ of habeas corpus within three days or another period deemed reasonable, but no longer than ten days.

RELEVANT FACTS

Mr. Garcia is a native and citizen of Bolivia who has resided in the United States for more than twenty years. Prior to his detention, he lived in Maryland with his family and was an active member in his community. He has no criminal history and poses no flight risk. Yet, the government’s position is that he is subject to mandatory detention because he should be considered a noncitizen who is “seeking admission” to the United States, despite the fact that he came to the United States more than two decades ago and he was not in the process of seeking inspection for

admission at the time he was arrested. In his petition, he seeks release from custody or, alternatively, a bond hearing because his continued detention violates his due process rights.

ORDER TO SHOW CAUSE

Mr. Garcia filed his petition more than one month ago, and respectfully requests the Court issue a briefing schedule requiring Respondents to file a return and respond to the habeas petition. Pursuant to 28 U.S.C. § 2243, a district court with jurisdiction over a petition for a writ of habeas corpus “shall forthwith award the writ or issue an order directing the respondent to show cause why the writ should not be granted.” The statute directs that an order to show cause “shall be returned within three days unless for good cause additional time, not exceeding twenty days, is allowed.” 28 U.S.C. § 2243. Section 2243 further provides that the Court shall hold a hearing on the writ or order to show cause “not more than five days after the return unless for good cause additional time is allowed.” In addition, Section 2243 states that the Court “shall summarily hear and determine the facts, and dispose of the matter as law and justice require.”

Pursuant to 28 U.S.C. § 2243, Mr. Garcia respectfully requests that this Court issue an order directing Respondents to show cause within three days why the petition for a writ of habeas corpus should not be granted. This case has already been pending for more than one month and the case law is clear that Mr. Garcia is not subject to detention, as Respondents insist, under 8 U.S.C. § 1225(b)(2). *See, e.g., Mendoza Gutierrez v. Baltazar*, No. 25-cv-2720, 2025 WL 2962908 (D. Colo. Oct. 17, 2025); *Loa Caballero v. Baltazar*, No. 25-cv-3120, 2025 WL 2977650 (D. Colo. Oct. 22, 2025); *Garcia Cortes v. Noem*, No. 25-cv-2677, 2025 WL 265880 (D. Colo. Sept. 16, 2025); *Maldonado Bautista v. Santacruz*, 2025 WL 3678485 (C.D. Cal. Dec. 18, 2025) (vacating DHS’s policy). Indeed, Respondents have filed a traverse on this issue in dozens of cases in this district and should be able to provide their position on this case within a short period of time. If

the Court sets a period longer than three days for Respondents to show cause, Mr. Pena requests that it be no longer than ten days, as DHS's detention is contrary to the overwhelming case law on this issue and DHS has provided no justification for Mr. Garcia's unlawful detention—he is neither a flight risk nor a danger to the community—and thus his continued detention is a deprivation of his established liberty interest.

CONCLUSION

For the foregoing reasons, Mr. Garcia requests the Court issue an order to show cause requiring Respondents to respond to the habeas petition within three days.
