I. Jurisdiction and Legal Basis

This petition is submitted pursuant to 28 U.S.C. § 2241. The United States District Court has jurisdiction to hear this petition because the beneficiary, Ariel Diez Díaz, is currently detained within the jurisdiction of this Court, and his detention raises claims of unlawful imprisonment in violation of federal law and constitutional rights.

II. Factual Background

1. Ariel Diez Díaz, A [Redacted] was detained on June 13, 2025, at the Miami court, where his case was dismissed.
2. After leaving the court, he was detained by ICE and initially taken to Miramar for processing to be sent to Krome Detention Center.
3. He remained at Krome for almost 2 months, then was transferred to Glades Detention Center, where he stayed for one week.
4. Subsequently, he was transferred to Baker Correctional Institution, where he has been detained for three months.
5. In total, Ariel has been in custody for 180 days, without having seen a judge and without being informed of the reason for his detention.

III. Legal Grounds for Relief

Ariel Diez Díaz's detention is unlawful for the following reasons:

1. **Violation of Due Process:** He has been detained for 180 days without appearing before a judge or being informed of the reason for his detention, constituting a clear violation of his constitutional rights.
2. **Improper Denial of Bond/Freedom:** ICE has maintained detention without offering any opportunity for bond.
3. **Other Applicable Legal Violations:** Prolonged detention without a court hearing may violate applicable federal law and established habeas corpus precedents.

IV. Relief Requested

Petitioner respectfully requests that this Court:

1. Order the immediate release of Ariel Diez Díaz from ICE detention; or alternatively,
2. Set a reasonable bond and conditions for release; and
3. Grant any other relief the Court deems just and proper under 28 U.S.C. § 2241.
