No. 1:25-CV-1870 JLT SKO

**REQUEST FOR FIVE-DAY EXTENSION OF
TIME IN WHICH TO FILE RESPONSE**

17 Mindful that this is a habeas matter that involves the question of prolonged detention,
18 Respondents nevertheless request a brief five-day extension of time in which to file a response to the
19 petition. The reason for this request is that immigration databases show that there was an effort to
20 obtain a travel document in this case, but the database does not reflect current information as to the
21 status of that attempt. More time is needed to make contact with the deportation officer and provide an
22 accurate update to the Court. Undersigned counsel expects to be able to file such an update within five
23 calendar days.
