RE: Yelitza v. Pamela Bondi
No.: 25-18736

Request for Order

To the Honorable Karen M. Williams, U.S.D.J.:

I am writing to request an Order in this matter. On December 29, 2025 ECF Text Order No. 7 went out, granting some of the relief sought and Ordering Respondents to file an answer. Shortly thereafter, another ECF Order went out listed as "Incorrect Entry made by Clerk's Office" which stated "CLERK'S QUALITY CONTROL MESSAGE- Please note the Text Order attached to docket entry [7] filed by the Clerk's office on 12/29/2025 was docketed in error. Please disregard."

No other entries have been made since then and we are without an Order as to how to proceed while the Petitioner remains detained and in jeopardy. I am respectfully requesting that Your Honor clarify the situation and issue an Order if necessary. Thank you.

Respectfully submitted,

/s/Peter Kapitonov
