RE: *Farmon Jabbarov v. David O'Neill et al.*,
E.D. Pa. Civ. No. 25-cv-7215

Dear Judge Wolson:

Respondents submit this letter brief in accordance with this Court's December 22, 2025 Order. The Court directed Respondents to advise by noon today whether they oppose the petition and whether they intend to make arguments other than those raised in *Kashranov v. J.L. Jamison*, Case No. 2:25-cv-05555-JDW, 2025 WL 3188399 (E.D. Pa. Nov. 14, 2025).

Respondents concede this matter is legally and factually similar to *Kashranov* and approximately 32 other cases in this district that have been decided against the government to date. Respondents respectfully submit that their positions are correct and therefore—despite the weight of contrary decisions in this district and nationwide—incorporate the arguments made in *Kashranov* into this letter brief to preserve them for appeal (if ultimately authorized by the Solicitor General).

Thank you for your consideration.

Sincerely,

DAVID METCALF
United States Attorney
