Re: Sanchez-Attenso v Bondi et al, case # 2:25-CV-02748-TL

Dear Honorable Tana Lin:

- On December 31, 2025, I mailed my motion for TRO/preliminary Injunction. Nonetheless, given that I lacked the necessary funds to mail aforesaid at the time, my facility forwarded my legal envelope containing item to immigration. Apparently, it's policy here to do so for indigent purposes. I expressed my concern with this ~~per~~ policy to my facility. I have not
- received confirmation that said legal mail was sent to the court. I did try to serve a copy of said motion to respondent Pamela Bondi and the Seattle Field Office director. Given ICE's unkind conduct ~~in~~ in 2025, I won't be surprised if my motion somehow got lost.
- Hence, ^{I'm asking} ~~on~~ the court if it has received my motion dated 12/31/2025, and also for a copy of the case register of this case.

Best regards

Luis Sanchez-Attenso
