PETITION TO RECONSIDER THE ORDER FOR GRANTING
PETITION FOR HABEAS CORPUS

I am hereby writing a petition to reconsider the order for granting my petition for Habeas corpus. The government filed its return on January 26, 2026, arguing that it is entitled to detain me without the opportunity for release on bond or conditions, but the court disagreed because I had established that my detention is unlawful. However, the court found that the remedy was to conduct a bond hearing, or was ordered as an alternative to bond hearing, the government may immediately release me with the same conditions that applied before I was detained.

On February 11, 2026 the government conducted a bond hearing but unfortunately they did not give me bond. Therefore am requesting the court to consider the order for granting my petition for Habeas since my constitutional rights have been violated and the government chose to continue to keep me in custody. On January 23, 2026 I was convinced by the immigration judge to withdraw the Bond and wait for the decision for the Habeas Petition.

Based on the above mentioned am requesting the court to order an immediate release with conditions that was applied before I was detained since my detention violates the constitution of United States.
