PETITIONER'S NOTICE OF DUPLICATIVE FILING

PETITIONER'S NOTICE OF DUPLICATIVE FILING

On January 12, 2025, Petitioner filed his First Application a Writ of Habeas Corpus with four attachments. However, the docket also contains a second such submission—document number two (2)—with one attachment, namely, the civil cover sheet, which was not included with the first submission.

Petitioner simply wishes to inform the Court and the parties that this second “First Application” is an identical duplicate of the first and may be disregarded and, if the Court chooses, stricken from the record. Petitioner, through undersigned counsel, apologizes for any confusion.
