

UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA
Civil No. 0:26-cv-00283-JMB-JFD

Sandra Chasipanta Llangari,

Petitioner,

STATUS REPORT

v.

Pamela Bondi, *et al.*,

Respondents.

Respondents' Counsel submits this status update to the Court in advance of hearing on Friday, and in satisfaction of one of Court's requirements for Respondents. I provided attached letter, confirming rescission of conditions to Petitioners Counsel on 5 February 2026. Counsel apologizes for the delay in providing this to the court. Respondents Counsel has contacted Agency on several occasions, including on 2/5/2026, and 2/13/2026, providing them with notice of specific conditions included in Court Orders. Respondents Counsel forwarded the order to Respondents at 5:09 PM.

Respondents Counsel is working diligently to ensure that all remaining property is returned, and that this fact is fully documented. Respondents Counsel regrets the delay. Respondents Counsel anticipates that Agency will work diligently to ensure that all outstanding issues are fully resolved to the Court's satisfaction in advance of the hearing.
