Re: Notice of Application to Reopen Case
Quezada Alvarado v. Francis, et al. 1:26-cv-00384

Your Honor,

The above-referenced matter was administratively closed today, January 22, 2026. Regrettably, our case management system recorded the January 15, 2026 text order setting down the Respondents' date to answer the petition, and the date to reply, and through mere oversight, we did not realize that the pleadings were filed deficiently notwithstanding the scheduling order.

Accordingly, we respectfully urge this Court to reopen the matter. The habeas corpus petition and the civil cover sheet were re-filed today. Because we seek to correct the deficiency on the same day that the matter was closed, we ask that the original schedule be adhered to.

Thank you in advance for your consideration.

Respectfully submitted,

/s/ Craig Relles
