

United States District Court
Western District of Texas
San Antonio Division

Altynai Ashyrapova et. al.,
Petitioner,

v.

Todd Lyons, Acting Director ICE, et. al.

Respondents.

No. 5:26-CV-00214-FB

Advisory to the Court

Respondents file this Advisory to notify the Court of Petitioner's physical removal from the United States, which action moots this habeas challenge to the legality of his extended detention. *See Bacilio-Sabastian v. Barr*, 980 F.3d 480, 483 (5th Cir. 2020); *Ortez v. Chandler*, 845 F.2d 573, 575 (5th Cir. 1988); *Riley v. I.N.S.*, 310 F.3d 1253, 1257 (10th Cir. 2002); *Virani v. Huron*, 2020 WL 7405655, at *3 (W.D. Tex. Dec. 17, 2020). On or about January 12, 2026, Petitioner brought this habeas claim, seeking release from detention. ECF No. 1. On or about January 21, 2026 the Court ordered service on Respondents and a response. ECF No. 4. The Court also ordered that any removal or transfer be stayed. ECF No. 4. However, the day before that order was issued on January 20, 2026, Petitioner was removed from the United States. *See*, I 205 verification of removal Exhibit A. While the order staying removal was issued after the removal had already occurred, in order to show Respondent's good faith efforts to comply with the Court's order, attached is the ECF notice received by Respondents on January 21, 2026 at 8:34am. Exhibit B, ECF notice. Upon receiving the Court's order Respondents sent that order to ICE on January 21, 2026 at 8:41am. Exhibit B.

The relief Petitioner sought, namely release, has occurred. This petition is, therefore, moot.

Respectfully submitted,

Justin R. Simmons
United States Attorney
