

**UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MINNESOTA**

U.H.A., K.A, H.D., D. Doe, M. Doe, on behalf of themselves and others similarly situated, *and* **THE ADVOCATES FOR HUMAN RIGHTS**,

Plaintiff-Petitioner and Plaintiffs,

v.

PAMELA BONDI, in their official capacity as Attorney General of the United States, *et al.*,

Defendants-Respondents.

Case No. 0:26-cv-00417-JRT-DLM

**JOINT STATUS REPORT
REGARDING MOTION FOR
CIVIL CONTEMPT FINDING**

The parties, by and through undersigned counsel, respectfully submit this Status Report pursuant to ECF Nos. 123, 126, and 132. The parties state the following:

1. On February 26, 2026, Plaintiffs provided Defendants with a final list of individuals, all of whom are believed to be refugees who were released since the entry of the Court's Temporary Restraining Order, but who have not received all of their property. The list contained the individuals' names and A-numbers, identified the missing property, and also identified the facilities where they were held and from which they were released.
2. After reviewing the list, Defendants represent and warrant that they prioritized a search for the identified missing property. So far, Defendants have made substantial progress, finding and returning property for several of the listed refugees.

3. Defendants' search continues for the remainder of the missing property. Defendants represent and warrant that, in the normal course, a detainee's property is collected, notated, and held for safeguarding; personal property is maintained at the detention center, while identification documents are held with the detainee's A-File; and the personal property then travels with the detainee, while original documents and cards remain with the detainee's A-File. Accordingly, Defendants further represent and warrant that ICE is currently searching through the property rooms at each detention facility in which the remaining refugees were held and is in the process of locating and retrieving any A-Files that would contain some of the missing property.

4. Defendants anticipate concluding their search and returning the missing property within the next week. Defendants have, and will continue, to provide Plaintiffs with updates as to the return of property. The parties have conferred and seek an additional 7 days to provide the Court with a further status update on their efforts.
