Subject: pursuant to the Sergio R. Vasquez response

TO Honorable Judge,

I Atiq Yunsai with A-number A [REDACTED] and case-number

SA-26-CA-00129-XR respectfully am writing this letter

to declare my prolonged civil Immigration detention to consider
the unlawfulness of my continued detention.

Due to the worse condition in my country, and the problem that
happened to me I had to leave my country, and crossed the border
of the United States illegally on 09/09/2024,

I have been detained for well over a period of Seventeen months
totally, and I was detained about nine months from the date
that I got the removal order.

Along this time I have cooperated with the ICE officer, and provided
all the information about myself. Also, I signed all the papers, and
have followed all guidelines, But unfortunately there haven't been any
progressed yet, and not given any specific date regarding my removal
or not a meaningful opportunity for release or bond hearing.

I appreciate the ICE officer for the continuous follow up my case
from November 30, 2025 to December 25, 2025 for providing my
travel documents. But unfortunately, according to the ICE report
that was provided on 3rd day of February 26 there have not
been any successful progress.

Additionally, there was provided another notice written
on page 2 and statements 15.

"On August 20, 2025, Afghanistan barred Afghanistan nationalists from traveling on valid or expired passports without an Afghanistan issued transportation letter."

I do believe based on the above ICE reports, my removal is not likely possible in the reasonably foreseeable future.

Therefore, right now I find myself in a hardship and a terrible position, Also, seriously effected my family because there is no clear end date to my detention.

I humbly request if there is no possible of early date for my removal please consider my release.

Thank you for attention in advanced.

Note: The Sergio R. Vasquez Response is attached.

Sincerely,

Atiq Yunsai
