- 10. State concisely every ground on which you claim that you are held unlawfully. Summarize briefly the facts supporting each ground. If necessary, attach a single page only behind page 6.

**CAUTION:** If you fail to set forth all grounds in this petition, you may be barred from presenting additional grounds at a later date. You must state facts, not conclusions, in support of your grounds. Do not argue or cite law. Just state the specific facts that support your claim. Legal arguments and citation to cases or law should be presented in a separate memorandum.

a. **GROUND ONE:**

My arrest was illegal, it was not based on reasonable suspicion and it was achieved through coercive measures. <sup>ILlegal detention and violation</sup> of due process.

Supporting facts: on October 15, 2025, my wife had her annual presentation with ICE. As every year, she was accompanied by our one-year old daughter, who is U.S citizen. I didn't have an appointment with ICE that day, my appointment was scheduled for approximately August 2026, she called me and told me I had to go to ICE because they wanted to check that my paperwork was in order I went without a problem because my documents are in order I have no criminal record, they released my wife and kept me detained without probable cause. Let the authorities explain why they detained me if I am not a flight risk or a danger to society and have done what I have been asked to do

b. **GROUND TWO:**

the Supreme court recognizes the fundamental right to family unity. ICE conduct constitutes impermissible government interference.

Supporting facts: when I was arrested, I was separated from my 9-month old daughter. I am the head of my household, my wife wasn't working when I was arrested because she was taking care of our daughter. I am the breadwinner for my family, and they

need me out there. I ask that you please review my case so I can be reunited with my daughter and my wife. I have been detained for 4 months now <sup>Psychological Abuse</sup> suffers from Anxiety

c. GROUND THREE: Prolonged And punitive Detention, the petitioner has no criminal record or history of fleeing and is not a danger to the community; continued detention is punitive and unconstitutional

Supporting facts: I Have been detained for four months in a Federal prison that serves as a detention center for immigrants. I am not a criminal, I am not a danger to society. I have been detained for a long time with poor nutrition because the food is not appropriate for a person who has not committed a crime, and I am in the process of appealing the judge decision without knowing how much longer I will be detained here. <sup>He who had surrendered upon arrival solely to protect his wife</sup> your daughter was immediately arrested and detained despite not having a prior appointment or valid documents

d. GROUND FOUR: Likelihood of success on the merits, the arrest resulted from coercion, and threats, rendering the detention unlawful.

Supporting facts: they called me into the office to have my wife and daughter released, my detention is illegal, my criminal record is clean, I have valid documents and a social security account. I entered the country legally. I want to know from ICE why they are holding me here if I am neither a criminal nor in the country illegally. I entered through CBP ONE, I entered legally and was admitted to PSF, they issued me an I-94 when I entered. I demand that they release me and allow me to continue my legal proceeding outside, not keep me in detention. ICE has violated my constitutional rights. when people ask an immigration judge for bail, the only response he gives is that he does not have jurisdiction to grant bail.

11. Relief sought in this petition: Me As A petitioner Respectfully Request that the court order respondents to immediately release, release petitioner from immigration Detention or in the Alternative order a prompt and constitutionally Adequate bond hearing before and immigration Judge with considerations of condition
