UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF TEXAS
El PASO DIVISION

MARTHA LILIANA CHICAIZA MOSQUERA, Petitioner, v. MARY DE ANDA-YBARRA, Field Office Director of Enforcement and Removal Operations, El Paso Field Office, Immigration and Customs Enforcement; Warden of ERO El Paso Camp East Montana; TODD M. LYONS, *in his official capacity* as Acting Director, Immigration and Customs Enforcement, U.S. Department of Homeland Security; KRISTI NOEM, *in his official capacity* as Secretary, U.S. Department of Homeland Security; and, PAMELA JO BONDI, *in her official capacity* as Attorney General of the United States. Respondents.	C/A No. 3:26-cv-136-KC STATUS REPORT

Petitioner asks that Respondents show cause why Petitioner has not been released from custody. The immigration court conducted its bond hearing on February 4, 2026. On information and belief, Respondents received and processed the bond payment and obligor agreements. Petitioner nonetheless remains in custody an additional six days and counting.

Petitioner raised in her Petition that she is a nursing mother. The delay in releasing Petitioner conflicts with the Court's expectation of a much more expeditious resolution of Petitioner's confinement. The Court should consider scheduling a teleconference with the parties if Petitioner remains detained by the end of the day on February 11, 2026, to receive a more definitive explanation why Petitioner has not been released.
