

**UNITED STATES DISTRICT COURT  
MIDDLE DISTRICT OF FLORIDA  
ORLANDO DIVISION**

REYNEL ANDRES BAUTISTA ANZOLA,

Petitioner,

v.

Case No. 6:26-cv-180-GAP-NWH

LOUIS A. QUINONES, IN HIS OFFICIAL  
CAPACITY AS WARDEN, ET AL.,

Respondents.

**OPPOSED MOTION TO HAVE CASE HEARD LAST**

Respondents, by and through the undersigned counsel, hereby respectfully request that this Court hear this case—currently scheduled for Monday, February 9, 2026 at 1:00pm—last in the lineup. At present there are three matters before the Court scheduled for 1:00. Respondents ask that this matter be heard last as Petitioner will be en route from a bond hearing in Baker County and thus faces the most unpredictable commute.

This matter is before the Court on Petitioner's Motion for Temporary Restraining Order and Preliminary Injunction. With the issuance of the amended TRO, Respondents have been able to transfer Petitioner to Baker County Correctional Facility for the purpose of having a bond hearing before Executive Office for Immigration Review ("EOIR"). That bond hearing is scheduled for 8:30am on

Monday, February 9, 2026. Respondents have asked EOIR that Petitioner's case be prioritized for consideration in hopes that this will allow his processing out of the facility with sufficient time to travel to Orlando and arrive on time for the 1:00 hearing. However, as bond proceedings typically involve several independent noncitizens all scheduled for the same time slot, there is the possibility that his case will not be heard promptly at 8:30.

Respondents are prepared to process Petitioner out from the Baker County facility expeditiously following the completion of the bond hearing so that he may be transported to this Court for the 1:00pm hearing. On information and belief the drive should take approximately three hours. Thus, it is possible that Petitioner will arrive to the Orlando courthouse quite close in time to the 1:00 scheduled hearing. Respondents ask that this matter be heard last of the three scheduled cases, given the potentially tight timeline for Petitioner's arrival. Counsel of record in all three cases are the same, so Respondents do not anticipate allowing this case to be heard last will prejudice any party.

For these reasons, Respondents respectfully request that the Court grant the instant motion.

#### **LOCAL RULE 3.01(g) CERTIFICATION**

Pursuant to Local Rule 3.01(g), the undersigned certifies that she contacted Petitioner's counsel concerning this motion to discuss the circumstances and basis for this motion. Petitioner has indicated his opposition to the relief sought herein.

Respectfully submitted,
