## Fernando Vasquez

To whom it may concern,

My name is Steven Calderon I am the owner of Sooner Home Exteriors and have worked with Fernando Vasquez for approximately 4 years. He has worked with me as a sub contractor under a different company and for the past 2 1/2 years as a direct sub contractor. He and I for the past 2 1/2 years have done work for Lowe's home improvement stores installing doors and windows. Fernando is an excellent worker and always is reliable to show up every time. He required to pass background checks and had kept a clean record the whole time. Fernando is active in his church and always is helping people out. I would be more than willing to be a sponsor for Fernando and to help him continue to get his citizenship finished.
