

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MINNESOTA

Richard Arevalo Seijas,

Petitioner,

v.

Bondi *et al*,

Respondents.

Case No. 26-cv-902

**PETITIONER'S RESPONSE
TO FEDERAL RESPONDENTS'
STATUS UPDATE**

Pursuant to the Court's request for a response to Respondents' status update, Counsel for the Petitioner provides the following update, with Counsel's sincere apologies for the delay.

Respondents' counsel and Petitioner have been communicating in an attempt to resolve this situation, but as of February 16, 2026, Petitioner is still not released. Petitioner remains located in Freeborn County Jail. On February 10, 2026, Counsel for Petitioner confirmed that Petitioner was still in Freeborn, and provided Respondents' attorney with Petitioner's birthday and a photograph of his ID, which confirms his A number. Another individual with a similar same name, but a different A number, appears to have been released on February 2, 2026.
