

United States District Court
Western District of Texas
San Antonio Division

Nelson Fresvindo Hernandez Garcia,
Petitioner,

v.

Miguel Vergara, *et al*,
Respondents.

No. 5:26-CV-665-OLG

Status Report

Per this Court's order dated March 16, 2026, Federal Respondents provided Petitioner with a bond hearing on March 25, 2026, to determine whether he poses a danger or flight risk. *See* ECF No. 10 at 8. The immigration judge denied bond, finding that Petitioner poses a flight risk. *See* Ex. A (Bond Order). In pertinent part, the judge found Petitioner:

... to be a flight risk. He may not be eligible for the removal relief he is seeking if he has worked in the United States and not filed tax returns. His relationship to the sponsor is not fully described to enable the court to fully understand the amount of persuasion the sponsor would have to make sure Respondent [*sic*] appears for all hearings. The court is concerned Respondent [*sic*] might not appear for removal if his removal relief application is denied and he is ordered removed.

Id. Respondent reserved appeal of the decision, and any appeal is due at the Board of Immigration Appeals (BIA) on or before April 24, 2026. *Id.* Federal Respondents have fully complied with this Court's order.

Respectfully submitted,

Justin R. Simmons
United States Attorney
