EMERGENCY MOTION FOR EXPEDITED CONSIDERATION  
AND FOR ORDER REQUIRING CUSTODY/BOND HEARING OR  
IMMEDIATE RELEASE

Petitioner MARINA ISABEL LEIVA SABILLÓN moves this Court on an emergency basis for expedited consideration of the attached Petition for Writ of Habeas Corpus and requests an order requiring an immediate individualized custody/bond hearing, or alternatively immediate release of GUSTAVO ENRIQUE LÓPEZ CARDONA (A# )

1. Mr. López Cardona has been detained since October 3, 2025, constituting prolonged civil detention.
2. Petitioner was informed that bond/custody review was previously requested in Immigration Court and that bond was denied (date unknown). Despite this, continued detention has become prolonged and unlawful without meaningful review.
3. Continued detention imposes severe hardship on Petitioner and the family, including U.S. citizen children, and interferes with family stability and support.
4. Due Process requires prompt, meaningful review with an individualized determination.
5. Petitioner respectfully requests that this Court:
  - (a) Expedite review of the Petition;
  - (b) Order Respondents to provide a prompt custody/bond hearing with DHS bearing the burden of proof; or
  - (c) Order immediate release under reasonable conditions.

Respectfully submitted,
