PETITIONER'S EMERGENCY MOTION TO EXPEDITE CONSIDERATION

Petitioner Sukru Temucin Aslan, proceeding pro se, respectfully moves this Court to expedite consideration of his pending Petition for Writ of Habeas Corpus.

1. Petitioner has been continuously detained since November 18, 2025, and has remained in custody for an extended period, including prior incarceration, resulting in a prolonged deprivation of liberty.
2. This case challenges the adequacy and fundamental fairness of Petitioner's prior bond hearing, including whether the proceedings satisfied basic due process requirements.
3. The habeas petition has been fully briefed. Respondents filed their response on February 20, 2026, Petitioner filed his reply on February 27, 2026, and a supplemental response with exhibits was filed on March 3, 2026. The matter is therefore ripe for decision.
4. Continued detention without timely resolution of the pending constitutional issues risks an unnecessary and prolonged deprivation of liberty.
5. Petitioner is the primary financial provider for his household and has two minor U.S. citizen children. His continued detention has resulted in disruption of family stability and ongoing financial hardship.
6. Petitioner has experienced a disruption in regular communication with his family due to circumstances related to his continued detention.
7. Petitioner has an upcoming immigration court hearing scheduled for April 2, 2026.
8. A prompt ruling from this Court would clarify Petitioner's detention status, promote judicial efficiency, and ensure orderly proceedings in the pending immigration matter.
9. Given the fully briefed record, the length of detention, and the nature of the constitutional issues presented, expedited consideration is warranted.

REQUEST FOR RELIEF

Petitioner respectfully requests that the Court expedite consideration of the pending Petition for Writ of Habeas Corpus.

Respectfully submitted,

Sukru Temucin Aslan
