

**UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF TEXAS
EL PASO DIVISION**

La BA,

Petitioner,

v.

STATUS REPORT

Case No. 3:26-CV-00421-KC

Mary De Anda-Ybarra, et al.

Respondents

Petitioner has been detained by Respondents since February 5, 2026, and *just yesterday* the Government submitted a travel document request to HQ-RIO for Myanmar. *See* ECF Doc. 10. This comes after 82 days of detention. This is preposterous. Respondents had previously claimed that this TDR was “expected to be submitted to ERO HQ-RIO no later than March 25, 2026[,]” yet it was submitted over a month later the day Respondents were required to update this Court. *See* ECF Doc. 6-1, ¶ 7.

Respondents have shown complete disregard for their own regulations. They have yet to point to any violations of release or changed circumstances that would warrant Petitioner’s re-detention. Respondents have yet to claim or produce any

evidence of an interview providing Petitioner with an individualized reasoning for re-detention or notice revoking his order of supervision. *See* 8 C.F.R. § 241.13(i)(3).

Respondents are either unable or unwilling to meet bare minimum to compliance with regulatory requirements to justify detention under 8 U.S.C. § 1231. As § 1231 does not provide for bond redetermination proceedings, immediate release is the proper remedy in response to Respondents' regulatory violations and minimal efforts to effectuate Petitioner's removal.

DATED: April 28, 2026

Respectfully submitted,

/s/ David Wilson
