TEMPORARY RESTRAINING ORDER

Petitioner-Plaintiff Jaime Alvarez-Gonzalez moves this court *ex parte* for a Temporary Restraining Order that would, among other things, require his immediate release from his ongoing detention by agents of Immigration and Customs Enforcement (ICE) and prohibit his re-arrest without pre-detention hearing before an “IJ” Immigration judge at which ICE establishes by clear and convincing evidence that his detention is necessary to prevent hi FlightRisk or Protect the Public.

Background:

The evidence before this Court establishes that Jaime Alvarez-Gonzalez is a 54- year-old from Mexico who came into the United States in 2001 legally with a Tourist Visa. Petitioner has family ties here in the United States with 2 U.S.C. Children whom is a son of age 23 and a daughter of age 17. Petitioner has a an approved I-130 and a pending I-485 through his U.S.C. Brother. Petitioner has zero criminal history but one arrest by the U.S. Marshall for Impeding, and impersonating a peace officer which is not true. Petitioner was attending a rally and was brought into custody and charged with those charges that will ultimately be dismissed. Petitioner first was processed to ICE custody were an Immigration Judge gave Petitioner a Bond of \$4,000 dollars and the U.S. Marshall's picked Petitioner up and charged Petitioner with the said mentioned charges. After the Immigration Judge was made aware of the arrest by the U.S. Marshall's the Immigration Judge withdrew the Bond from Petitioner. While in federal custody Petitioner paid a bond in Federal Court then was brought again into Immigration custody. Here it is clear that the Government is playing around with Petitioner's life and violating his Due Process Clause to a fair trial. Petitioner suffers of Diabetes, and high blood pressure, and anxiety.

Petitioner is not a danger to the community and or a flight risk. Petitioner request that this Court grant the Temporary Restraining Order so Respondent's cannot transfer Petitioner out of the Jurisdiction of the Court or from the Otay Mesa Detention Center until the Habeas Corpus is adjudicated. My health has worsen because I have developed Depression, Anxiety, and Major Stress Disorder because of the period of detention I have spent in custody. I have not receieved any incident reports for misbehavior since I have been detained here at Otay Mesa Detention Center and have remained in good behavior while in ICE custody. I am requesting for this Temporary Restraining Order to be put in place so ICE won't be able to transfer me or deport me before this Habeas Corpus is adjudicated.
